VOTING AND DISCRETION OF PROXIES

On any ballot that may be called for, the common shares of the Corporation (the “**Common Shares**”) represented by proxies in favour of the persons named by management of the Corporation will be voted for or against, or voted for or withheld from voting on, the matters identified in the proxy, in each case in accordance with the instructions of the shareholder. **In the absence of any instructions on the proxy, it is the intention of the persons named by management in the accompanying form of proxy to vote (a) FOR the election of management’s nominees as directors, (b) FOR the appointment of management’s**

nominee as auditor and the authorization of the directors to fix the remuneration of the auditor, and (c) FOR the increase the Option Plan Resolution.

The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations of the matters identified in the Notice or any other matters that may properly come before the Meeting. As at the date of this Circular, management of the Corporation knows of no such amendments, variations or other matters that may properly come before the Meeting other than the matters referred to in the Notice.

APPOINTMENT OF PROXIES

Each shareholder has the right to appoint a person other than the persons designated in the enclosed form of proxy, who need not be a shareholder of the Corporation, to represent such shareholder at the Meeting or any adjournment thereof. Such right may be exercised by striking out the names of the persons designated in the enclosed form of proxy and by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation before the time of the Meeting or any adjournment thereof. If a shareholder of the Corporation appoints a person other than the persons designated in the enclosed form of proxy to represent him, such person will vote the shares in respect of which he is appointed proxy-holder in accordance with the direction of the shareholder appointing him. In the absence of such direction, such person may vote such shares at his discretion. It is the responsibility of the shareholder appointing some other person to represent him to inform such person that he has been appointed.

VOTING INSTRUCTIONS

There are two methods by which registered shareholders ("**Registered Shareholders**"), whose names are shown on the books or records of the Corporation as owning Common Shares, can vote their Common Shares at the Meeting: in person at the Meeting or by proxy. Should a Registered Shareholder wish to vote in person at the Meeting, the form of proxy included with the Circular should not be completed or returned; rather, the Registered Shareholder should attend the Meeting where his or her vote will be taken and counted. Should the Registered Shareholder not wish to attend the meeting or not wish to vote in person, his or her shares may be voted by proxy through one of the methods described below and the shares represented by the proxy will be voted or withheld from voting, in accordance with the instructions as indicated in the form of proxy, on any ballot that may be called for, and if a choice was specified with respect to any matter to be acted upon, the shares will be voted accordingly.

A Registered Shareholder may vote by proxy by using one of the following methods: (i) the enclosed paper form of proxy to be returned by mail or delivery, (ii) by facsimile, or (iii) by internet. The methods of using each of these procedures are as follows:

Voting by Mail or Delivery. A Registered Shareholder may vote by mail or delivery by completing, dating and signing the enclosed form of proxy and depositing it with Odyssey Trust Company (the "Transfer Agent") using the envelope provided or by mailing or delivering it to Odyssey Trust Company, Attention: Proxy Department, **Trader's Bank Building 1100 – 67 Yonge Street, Toronto ON M5E 1J8** or to the Corporate Secretary of the Corporation at 1682 Woodward Drive, Ottawa, ON K2C 3R8 **for receipt no later than 1:00**

p.m. (EDT) on Friday, March 27, 2026, or if the Meeting is adjourned, by no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjourned Meeting.

Voting by Facsimile. A Registered Shareholder may vote by facsimile by completing, dating and signing the enclosed form of proxy and returning it by facsimile to the Transfer Agent at 1-800-517- 4553. The form of proxy **must be received by no later than 1:00 p.m. (EDT) on Tuesday, March 31, 2026**, or if the Meeting is adjourned, no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjourned Meeting.

Voting by Internet. A Registered Shareholder may vote by internet by accessing the following website: <https://vote.odysseytrust.com>. When you logon to the site you will be required to input a control number as instructed on the logon page. Please see the additional information enclosed with the Circular. A Registered Shareholder **may vote by internet by no later than 1:00 p.m. (EDT) on Friday, March 27, 2026**, or if the Meeting is adjourned, no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjourned Meeting.

Non-Registered Shareholders (Beneficial Owners)

In the Circular and the enclosed form of proxy and Notice, all references to shareholders are to Registered Shareholders. Only Registered Shareholders, or the person they appoint as their proxy, are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a “**Nonregistered Shareholder**” or “**Beneficial Owner**”) are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals within respect of the shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency such as CDS & Co. (the registration name for CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

Common Shares held by your broker or its nominee can only be voted upon your instructions. Without specific instructions, your broker, its agent or its nominee is prohibited from voting your Common Shares. **Therefore, beneficial shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

There are two kinds of Beneficial Owners: those who object to their name being made known to the Corporation, referred to as objecting beneficial owners (“**OBOs**”), and those who do not object to the Corporation knowing who they are, referred to as non-objecting beneficial owners (“**NOBOs**”). In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Corporation has distributed copies of the Notice, the Circular and the enclosed form of proxy (collectively, the “**Meeting Materials**”) to all NOBOs directly through the Transfer Agent. The Meeting Materials will be distributed to OBOs through clearing agencies and Intermediaries, who often use a service company such as Broadridge Financial Solutions, Inc. (“**Broadridge**”) to forward meeting materials to Non-Registered Shareholders.

The Meeting Materials are being sent to both Registered and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Corporation or its agent has sent these Meeting Materials directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send the Meeting Materials to NOBOs directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Objecting Beneficial Owners

Intermediaries are required to forward Meeting Materials to OBOs unless an OBO has waived the right to receive them. Generally, OBOs who have not waived the right to receive Meeting Materials will usually receive a voting instruction form (“**VIF**”) from Broadridge in lieu of the form of proxy from the Corporation. The VIF will name the same person as the proxy to represent the shareholder at the Meeting. A shareholder has the right to appoint a person (who need not be a shareholder of the Corporation) other than persons designated in the VIF, to represent the shareholder at the Meeting. To exercise this right, the shareholder should insert the name of the desired representative in the blank space provided in the VIF. You are asked to complete and return the VIF to Broadridge by mail or facsimile. Alternatively, you can call Broadridge’s toll free telephone number or access Broadridge’s Internet website to vote your Common Shares. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it cannot be used as a proxy to vote Common Shares directly at the Meeting as the VIF must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted or to appoint an alternative representative to attend at the Meeting in person to vote such Common Shares.**

Non-Objecting Beneficial Owners

NOBOs can expect to receive the Meeting Materials with a VIF from the Transfer Agent. These VIFs are to be completed and returned to the Transfer Agent in the envelope provided or by following the instructions contained on the VIF for facsimile, telephone or Internet voting. The Transfer Agent will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs received. **If you receive a VIF from the Transfer Agent, it cannot be used as a proxy to vote Common Shares directly at the Meeting as the VIF must be returned to the Transfer Agent well in advance of the Meeting in order to have the Common Shares voted or to appoint an alternative representative to attend at the Meeting in person to vote such Common Shares.**

The purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the shares they beneficially own. Should a Non-Registered Shareholder who receives either a proxy or a VIF wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the proxy and insert the Non-Registered Shareholder’s (or such other person’s) name in the blank space provided or, in the case of a VIF, follow the corresponding instructions on the form.

In any event, Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and Broadridge or other service company, or the Transfer Agent, as the case may be.

REVOCATION OF PROXIES

A shareholder who has given a proxy has the power to revoke it as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy and may do so by delivering another properly executed proxy bearing a later date and depositing it as aforesaid, including within the prescribed time limits noted above; or by depositing an instrument in writing revoking the proxy executed by the shareholder or by the shareholder's attorney authorized in writing, by one of the following methods: (a) at the registered office of the Corporation (1682 Woodward Drive, Ottawa Ontario K2C 3R8) at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, (b) with the Chair of the Meeting, prior to its commencement, on the day of the Meeting or at any adjournment thereof; (c) by attending the Meeting in person and so requesting; or (d) in any other manner permitted by law.

A Non-Registered Shareholder may revoke a VIF or a waiver of the right to receive Meeting Materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a VIF or of a waiver of the right to receive Meeting Materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares and an unlimited number of non-voting special shares, issuable in series with rights, privileges, restrictions and conditions to be determined by the board of directors of the Corporation (the "**Board of Directors**") without shareholder action. As of February 18, 2026, 54,584,148 Common Shares were issued and outstanding. Each Common Share entitles the holder thereof to one vote at all meetings of shareholders.

The Board of Directors has fixed the close of business on January 30, 2026, as the record date for the purposes of determining shareholders entitled to receive notice of the Meeting. In accordance with the *Canada Business Corporations Act* ("**CBCA**"), no later than ten days after the Record Date, the Corporation will prepare an alphabetical list of holders of Common Shares as of the Record Date. Each holder of Common Shares named on the list will be entitled to vote the Common Shares shown opposite his, her or its name on the list at the Meeting.

As at February 18, 2026, to the knowledge of the directors and senior officers of the Corporation, no persons, firms or corporations beneficially own, directly or indirectly, or exercise control or direction over voting securities of the Corporation carrying more than 10% of the voting rights attaching to any class of voting securities of the Corporation.

The Corporation is also authorized to issue an unlimited number of Special Shares, issuable in series. STATEMENT OF EXECUTIVE COMPENSATION

Introduction

This compensation discussion and analysis describes and explains the Corporation’s policies and practices with respect to the compensation of the Corporation’s Chief Executive Officer and Chief Financial Officer.

The compensation arrangements of the Chief Executive Officer and Chief Financial Officer as well as all the executive officers were reviewed by the Compensation Committee and the executive officers have entered into employment arrangements with the Corporation, as more fully described under the heading “Employment Agreements”.

Compensation Discussion and Analysis

Chief Executive Officer and Chief Financial Officer

Scott MacFabe was appointed the Chief Executive Officer (“**CEO**”) of the Corporation on March 1, 2018 and Chair of the Board on March 19, 2025. His amended employment agreement was effective as of October 1, 2025 and provides for a base salary of \$409,500. At the discretion of the Board of Directors a performance-based cash bonus (“Performance Bonus”) may be awarded to Mr. MacFabe to a maximum of 50% of the base salary as well as options for Common Shares. Upon the issuance of shares by the corporation, Mr. MacFabe is entitled to 2.8% of the value of the shares issued, whose after tax benefit must be invested in shares of the Corporation. Mr. MacFabe is entitled to 18 months severance if his

services are terminated by the Corporation, other than for cause. This entitlement is increased to 18 months plus 2.5% of the transaction value in the event of a change in control of the Corporation.

Dan Hilton was appointed Chief Financial Officer (“CFO”) of the Corporation as of October 1, 2023 and Secretary of the Corporation on October 1, 2023. His amended employment agreement was effective as of October 1, 2025 and provides for a base salary of \$304,500. At the discretion of the Board of Directors a performance-based cash bonus (“Performance Bonus”) may be awarded to Mr. Hilton to a maximum of 50% of the base salary as well as options for Common Shares. Upon the issuance of shares by the corporation, Mr. Hilton is entitled to 2.52% of the value of the shares issued, whose after tax benefit must be invested in shares of the Corporation. Mr. Hilton is entitled to 18 months severance if his services are terminated by the Corporation, other than for cause. This entitlement is increased to 18 months plus 2.5% of the transaction value in the event of a change in control of the Corporation.

Executive Compensation Principles

The Compensation Committee and the Board of Directors undertake the process for determining executive compensation. The Corporation does not employ any formal objectives in determining executive compensation and the implementation of compensation programs that may exist from time to time. When determining executive compensation, the Compensation Committee and the Board of Directors rely on their current and past experience and collective knowledge of the market including similarly situated public and private companies.

Based on that background and assessment, the Compensation Committee and the Board of Directors, through discussion, base their ultimate determination on (i) the overall objectives of the Corporation, (ii) individual negotiations with an executive, as applicable, and (iii) the best interests of the Corporation, its shareholders and its other stakeholders. In 2025, the Compensation Committee contracted Meridian Compensation Partners to conduct a thorough assessment of executive compensation and updated compensation plans accordingly. The Corporation also uses information from an executive search firm consultant and salary surveys (Mercer) to understand current market data and benchmark executive positions.

Elements of Executive Compensation Program

The executive compensation packages consist of a base salary, a discretionary performance-based cash bonus, a cash based equity incentive, a benefit package and stock options.

Base Salaries

The base salary component is intended to provide a fixed level of pay that is established at the time that the officer joins the Corporation, and is reviewed from time to time thereafter, not less frequently than annually. The performance of CEO and CFO is reviewed in light of various performance parameters, such as profitability, share price, revenue growth and other factors related to performance as may from time to time be considered relevant.

Variable Compensation Awards

At the discretion of the Compensation Committee and Board of Directors, a performance-based cash bonus for each executive officer is established each year. The performance-based criteria are established yearly and are related to the achievement of specific corporate targets and the achievement of specific personal targets and cannot exceed 50% of the base salary.

The CEO bonus is based on the achievement of financial and non-financial targets. The financial targets are based on the Corporation's approved budget, as monitored on a quarterly basis. These targets typically focus on revenue, gross margins and EBITDA. Share performance in light of the marketplace is also reviewed. Non-financial criteria include: leadership goals, such as brand establishment and investor relations coverage; business development goals, such as client diversification and the development of sales plans; employee goals, such as health and safety and succession planning; and communication with the Board of Directors. Each of the other executive officers is then benchmarked accordingly in respect of corporate targets. Additional criteria will also have been established for personal targets for the other executive officers.

The amount of variable compensation, as determined by the Compensation Committee and Board of Directors, if any, for all executive officers, is to be determined by January 31 of each year and will be paid, if applicable, prior to the end of Corporation's second quarter.

Benefits Package

The Corporation has a benefit plan which includes health and dental benefits, long term disability coverage and life insurance. All employees including the executive officers are entitled to participate in the benefit plan. The Corporation also has a group RRSP and share purchase plan, which allows for company matching of employee contributions, up to a maximum based on the amount the employee contributes, as well as other criteria.

Each of the executive officers has available to them an automobile allowance and/or a reimbursement for Mileage

Employee Incentive Plans

The Nominating & Governance Committee continues to review and assess its employee incentive plans which allocate cash bonuses and option grants to employees including executive officers, of the Corporation based on the achievement of certain personal and corporate performance goals.

Cash Based Equity Incentive

The Corporation awards a cash-based incentive to executive officers on the issuance of shares from treasury whose after tax benefit must be invested in shares of the Corporation at the prevailing market rate. This incentive is designed to promote accretive strategic growth opportunities and encourage executive officers to align behaviours with shareholders.

Options

Options to purchase Common Shares may be awarded to executive officers, directors, employees and consultants, from time to time, at the discretion of the Nominating & Governance Committee and Board of Directors of the Corporation pursuant to the terms of the Corporation's Amended and Restated Option Plan 2025.

EQUITY INCENTIVE PLAN

Stock Option Plan

On February 28, 2003 the Corporation's shareholders approved the establishment of a share option plan which was known as the Seprotech Systems Incorporated Share Option Plan and which was amended on February 2, 2006, February 7, 2008, August 4, 2011, March 15, 2012, October 24, 2012, February 21, 2013, March 23, 2022, and March 19, 2025. On February 18, 2026, the plan was further amended, restated and renamed the BluMetric Environmental Inc. Amended and Restated Stock Option Plan 2026 (the "Amended

Plan”). The summary description of the Amended Plan below is qualified in its entirety by the full text of the Amended Plan set out in Schedule D to this Circular and should be read in conjunction with the full text of the Amended Plan.

The Amended Plan is subject to shareholder and TSX-V approval. See “Approval of the Option Plan Resolution” above.

The purpose of the Amended Plan is to develop the interest of, and provide an incentive to, eligible directors, officers, employees and consultants of the Corporation and its subsidiaries in the Corporation’s growth and development by granting to such eligible persons from time to time, options to purchase Common Shares of the Corporation, thereby advancing the interests of the Corporation and its shareholders. The extent to which any director, officer, employee or consultant shall be entitled to be granted options pursuant to the Amended Plan shall be determined at the discretion of the Board of Directors, with the assistance of the Compensation Committee.

Options granted under the Amended Plan are not assignable or transferable except in limited circumstances as permitted under the TSX-V Corporate Finance Manual (the “**TSXV Manual**”) and as set out in the Amended Plan. The Amended Plan provides that the exercise price of the options will be calculated using the volume weighted average trading price (the “**VWAP**”) of the Common Shares on TSX Venture Exchange calculated by dividing the total value by the total volume of such securities traded for the five Trading Days immediately preceding the grant of the option. The Board of Directors will determine the vesting period of the options at the time of the grant; provided, however, options granted to a participant engaged in investor relation activities will vest over a period of not less than 12 months from the date of grant and with no more than 25% of the options vesting in any three-month period.

Unless otherwise determined by the Board of Directors, the Amended Plan provides that options granted under the Amended Plan will expire not more than 10 years from the date of grant. The options will terminate one year after the death of a participant and 60 days after the termination of a participant ceases to be a director, officer, employee or consultant of the Corporation subject to adjustment by the Board of Directors. The Amended Plan further provides that in all circumstances one year after the participant ceases to be a director, officer, employee or consultant of the Corporation the options will terminate. Options granted to a participant who is engaged in investor relations activities shall expire 30 days after the participant ceases to provide investor relations services.

Except for a participant engaged in investor relations activities, the Amended Plan provides for a net exercise of options, whereby the participant does not make a cash payment for the participant’s options, except for all mandatory tax withholdings, but instead receives only the number of underlying Common Shares that is equal to:

$$\frac{(\text{Number of Options being Exercised}) \times (\text{VWAP of the Common Shares minus the Option Price of the Options})}{\text{VWAP of the underlying Common Shares}}$$

The Amended Plan also contemplates a cashless exercise of options whereby the brokerage firm sells a sufficient number of Common Shares to cover the option price of the options in order to repay the loan made to the participant and the brokerage firm receives an equivalent number of Common Shares from the exercise of the options and participant then receives the balance of Common Shares or the cash proceeds from the balance of such Common Shares; provided, however, the cashless exercise mechanism

will only come into effect if the Board of Directors determines to permit a cashless exercise and sets up the required arrangements with a brokerage firm. Currently, the Corporation does not have such arrangements in place.

No individual may hold options to purchase Common Shares exceeding 5% of the then outstanding Common Shares. The maximum number of options granted to any one consultant in a 12-month period shall not exceed 2% of the then outstanding Common Shares. The maximum number of options granted to participants providing investor relations services shall not exceed 2% of the then outstanding Common Shares in any 12-month period. The maximum number of options granted to the Corporation's insiders (as a group) under the Amended Plan shall not exceed 10% of the outstanding Common Shares in a 12 month period, unless disinterested shareholder approval is obtained. The maximum number of options granted to the Corporation's insiders (as a group) under the Amended Plan shall not exceed 10% of the outstanding Common Shares at any point in time, unless disinterested shareholder approval is obtained.

The Amended Plan provides that the Board of Directors will determine the vesting of options at the time of grant to the participant.

In determining whether a director is independent, the Board of Directors considers the specific circumstances of a director and the nature, as well as the materiality, of any relationship between the director and the Corporation.

Term Limits

All directors are elected annually and have a term limit of six years, with an optional extension at the determination of the Board of Directors for up to two additional one-year terms, for a maximum term of eight years. Board size, composition and renewal are considered annually as part of the Nominating & Governance Committee's mandate and nominations for the Board of Directors is assessed by considering a variety of factors, including the existing skills, experience of the members and diversity.

There was one individual who self-identified as a person with disabilities, representing 17% of the directors and one individual who self-identified as a member of a visible minority, representing 17% of the directors. There are no self-identified Indigenous peoples on the Board of Directors.

Currently, among the thirteen individuals in senior management, there are 6 individuals who identified as a woman, representing 46% of the members of senior management. There are two members of visible minorities. There are no Indigenous peoples or persons with disabilities in senior management.

There are three permanent Board of Directors committees: (i) the Audit Committee (the **“Audit Committee”**), (ii) the Nominating and Governance Committee (the **“Nominating & Governance Committee”**) and (iii) the Compensation Committee (the **Compensation Committee”**).

Information on the Audit Committee

Composition of the Audit Committee

The Audit Committee is currently composed of Ian Mor Macdonald (Chair), David Rudolph and Mohsen Mortada. During the financial year ended September 30, 2025, the Audit Committee met formally four times and held several ad hoc meetings. Ian Mor Macdonald is not standing for re-election to the Board at the meeting.

The Board of directors has determined that each of the members of the Audit Committee is “financially literate” as defined in National Instrument 52-110 (**“NI 52-110”**), that is, each member has the ability to read and understand a set of financial statements that present a breadth and complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements.

A director of an audit committee is “independent” if he or she has no direct or indirect relationship with the issuer, that is a relationship which could, in the view of the Board of Directors, reasonably be expected to interfere with the exercise of the committee member’s independent judgement. For the purposes of assessing the independence of a member of an audit committee, NI 52-110 further provides that an individual will be deemed to have a material relationship with an issuer if he or she accepts, directly or indirectly, any consulting, advisory or other compensatory fee from the issuer or any subsidiary entity of the issuer, other than as remuneration for acting in his or her capacity as a member or as a part-time chair or vice-chair of the board of directors of the issuer or any committee thereof. For his purpose, the indirect acceptance of a fee by an individual of any consulting, advisory or other compensatory fee includes the acceptance of a fee by an entity in which such individual is a partner, and which provides accounting, consulting, legal, investment banking or financial advisory services to the issuer or any subsidiary entity of the issuer.

Based on the foregoing, the Board of Directors has determined that Ian Mor Macdonald, David Rudolph, and Mohsen Mortada are independent members of the Audit Committee.

The education and experience of each member of the Audit Committee, including experience relevant to the performance of his or her responsibilities as a member of the Audit Committee, is set forth above under the heading “Composition of the Board of Directors Biographies”.

Charter of the Audit Committee

- (c) any one Consultant in a 12 month period must not exceed 2% of the issued Shares of the Corporation, calculated at the date an Option is granted to the Consultant; and
- (d) all Eligible Persons retained to provide Investor Relations Activities must not exceed 2% of the issued Shares of the Corporation in any 12 month period, calculated at the date an Option is granted to any such Eligible Person.

4.4 Options may be granted in respect of authorized and unissued Shares. Shares in respect of which Options have expired, were cancelled or otherwise terminated for any reason other than the exercise of the Options shall be available for subsequent Options under the Plan.

4.5 No fractional Shares may be purchased or issued under the Plan.

5. Grants of Options

5.1 Subject to the provisions of the Plan, the Board shall, in its sole discretion and from time to time, determine those Eligible Persons to whom Options shall be granted and the date on which such Options are to be granted (the "**Grant Date**"). The Board shall also determine, in its sole discretion, in connection with each grant of Options:

- (a) the number of Options to be granted;
- (b) subject to the provisions of the Plan, the Option Price applicable to each Option, provided that the Option Price shall not be less than the Market Value per Share on the Grant Date; and
- (c) the other terms and conditions (which need not be identical and which) of all Options covered by any grant.

6. Eligibility, Vesting and Terms of Options

6.1 Options may be granted to Eligible Persons only.

6.2 Subject to the adjustments provided for in Section 10 hereof, each Option shall entitle the Optionee to purchase one Share.

6.3 The option period (the "**Option Period**") of each Option commences on the Grant Date and expires on a date as determined by the Board in its sole discretion; provided, that (i) in no event shall the Option Period expire later than 4:30 p.m. (Ottawa time) on the tenth anniversary of the Grant Date, and (ii) an Option will not expire more than 12 months from the time the Optionee

ceases to be a director, an officer, an employee or Consultant of the Corporation. If an Option expires during a Black-Out Period then, notwithstanding any other provision of the Plan, the Option shall expire 10 business days after the Black-Out Period is lifted by the Corporation.

- 6.4 Subject to Sections 8 and 9, an Option which is subject to vesting, may, once vested, be exercised at any time during the Option Period. Subject to Section 8, an Option which is not subject to vesting may be exercised at any time during the Option Period.
- 6.5 The Board in its sole discretion may determine and impose terms upon which each Option shall become vested in respect of Shares.
- 6.6 An Option is personal to the Optionee and is non-assignable and non-transferable otherwise than (a) by will or by the laws governing the devolution of property in the event of death of the Optionee or (b) with the prior consent of the Board, to a Permitted Assign.
- 6.7 Options granted to any Eligible Person retained to provide Investor Relations Activities must vest in a period of not less than 12 months from the Grant Date and with no more than 25% of the Options vesting in any three-month period notwithstanding any other provision of this Plan.
- 6.8 Subject to Section 6.3, the Board may by resolution, in its sole discretion extend the expiration date of any Option. The Board shall not, in the event of any such advancement or extension, be under any obligation to advance or extend the date on or by which Options may be exercised by any other Optionee.

7. Option Agreement

- 7.1 Upon the grant of an Option, the Corporation and the Optionee shall enter into an Option Agreement, in a form set out in Appendix A or in such form as approved by the Board, subject to the terms and conditions of the Plan, which agreement shall set out the Optionee's agreement that the Options are subject to the terms and conditions set forth in the Plan as it may be amended or replaced from time to time, the Grant Date, the name of the Optionee, the Optionee's position with the Corporation, the number of Options, the Option Price, the expiry date of the Option Period, vesting terms and such other terms and conditions as the Board may deem appropriate.

8. Termination of Employment, Engagement or Directorship

- 8.1 In the event of the death of an Optionee, either while in the employment or engagement of the Corporation, or while a director of the Corporation, the Optionee's estate may, within 365 days from the date of the Optionee's death, exercise any Option granted hereunder to the extent such Option was exercisable and had vested on the date of the Optionee's death; provided, however, that no Option shall be exercisable following the expiration of the Option Period applicable thereto. The Optionee's estate shall include only the executors or administrators of such estate and persons who have acquired the right to exercise such Option directly from the Optionee by bequest or inheritance.
- 8.2 In the event an Optionee's employment, engagement or directorship with the Corporation or its related entity terminates for any reason other than death or cause, the Optionee may exercise any Option granted hereunder to the extent such Option was exercisable and had vested on the

date of termination no later than 60 days after such termination or such later date within the Option Period first established by the Board for such Option as the Board may fix, except if the Optionee is engaged in Investor Relations Activities then such period shall be no later than 30 days.

- 8.3 In the event an Optionee's employment, engagement or directorship is terminated for cause, each Option held by the Optionee that has not been effectively exercised prior to such termination shall lapse and become null and void immediately upon such termination.
- 8.4 For the purposes of this Plan, "cause" shall include, among other things, a dishonest act such as gross misconduct, theft, fraud, embezzlement, misappropriation, breach of confidentiality, breach of loyalty or breach of duty of loyalty or placement in conflict of interest and any other reason determined by the Corporation to be cause for termination. For the purposes of the Plan, the determination by the Corporation that the Eligible Person was discharged for "Cause" shall be binding on the Eligible Person.
- 8.5 The Plan shall not confer upon any Optionee any right with respect to a continuation of employment or engagement by, or directorship of, the Corporation or its related entity nor shall it interfere in any way with the right of the Corporation or its related entity to terminate any Optionee's employment, engagement or directorship at any time.
- 8.6 Unless otherwise agreed to in writing by the Board in accordance with Section 8.5, references to "termination" or "the date of such termination" or similar references in this Section 8:
- (a) in the case of an Employee (including executive officers who are also Employees), is deemed to be the last day of active employment by the Employee with the Corporation or its related entity, as the case may be, regardless of any salary continuance, notice period required under applicable law or the reason for termination of employment (whether with or without cause or with or without notice);
 - (b) in the case of a Consultant is deemed to be the "termination" or "the date of such termination" of the person engaged as a consultant to provide services to the Corporation or related entity; and
 - (c) in the case of a Permitted Assign is deemed to be the "termination" or "the date of such termination" of the director, executive officer, Employee Management Company Employee or Consultant that the Permitted Assign is related to.
- 8.7 For greater certainty, an Option that had not become vested at the time that the relevant termination event referred to in this Section 8 occurred, shall not be or become exercisable and shall be cancelled.

9. Exercise of Options

- 9.1 Subject to the provisions of the Plan, an Option may be exercised from time to time by delivery to the Corporation at its registered office of a written notice of exercise addressed to the Secretary of the Corporation specifying the number of Shares with respect to which the Option is being exercised, together with a certified cheque, bank draft or other appropriate form of payment to

be determined by the Corporation, for the aggregate of the Option Prices to be paid for the Shares to be purchased and all mandatory tax withholdings. The tax withholdings will be paid by the Corporation on the Optionee's behalf. Certificates for such Shares shall be issued and delivered to the Optionee within a reasonable time following the receipt of such notice and payment. For greater certainty, the Corporation will not provide financial assistance in respect of the exercise of an Option unless specifically agreed to by the Board.

- 9.2 Excluding Options held by an Eligible Person engaged in Investor Relations Activities, in lieu of exercising an Option as set forth in Section 9.1, an Optionee may exercise from time to time by delivery to the Corporation at its registered office a written notice of exercise addressed to the Secretary of the Corporation, whereby the Optionee does not make a cash payment, except for all mandatory tax withholdings, but instead received only the number of underlying Shares ("**Net Exercise**") that is equal to the quotient obtained by dividing:

- (a) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the Option Price of the subject Options; by
- (b) the VWAP of the underlying Shares.

In the event of a Net Exercise, the number of Options exercised, surrendered or converted, and not the number of Shares actually issued by the Corporation, must be included in calculating the limits set forth in Section 4.

- 9.3 Excluding Options held by an Eligible Person engaged in Investor Relation Activities, in lieu of exercising an Option as set forth in Sections 9.1 or 9.2, and in the event that the Corporation implements an arrangement with a brokerage firm in accordance with the provisions of the TSX-V Manual and the Board determines to permit a cashless exercise of Options, an Optionee may do a cashless exercise of the Options ("**Cashless Exercise**"), whereby the brokerage firm sells a sufficient number of Shares to cover the Option Price of the Options in order to repay the loan made to the Optionee and the brokerage firm receives an equivalent number of Shares from the exercise of the Options and the Optionee then receives the balance of Shares or the cash proceeds from the balance of such Shares.

- 9.4 No less than 100 Options may be exercised at any one time, except where a smaller number of Options is or remains exercisable pursuant to a grant, in which case, such smaller number of Options must be exercised at one time,

- 9.5 All Security-Based Compensation Arrangements are subject to any applicable resale restrictions under Securities Laws and the Exchange Hold Period, if applicable. In addition, if the Exchange Hold Period is applicable, all Options and any Shares issued under Options exercised prior to the expiry of the Exchange Hold Period must be legended with the Exchange Hold Period commencing on the date the Options were granted.

10. Adjustment on Alteration of Share Capital

- 10.1 In the event of a subdivision, consolidation or reclassification of outstanding Shares or other capital adjustment, the number of Shares reserved or authorized to be reserved under the Plan,

the number of Shares receivable on the exercise of an Option and the Option Price therefor shall be increased or reduced proportionately and such other adjustments shall be made as may be deemed necessary or equitable by the Board in its sole discretion and such adjustment shall be binding for all purposes of the Plan.

- 10.2 If the Corporation amalgamates, consolidates or combines with or merges with or into another body corporate, whether by way of amalgamation, statutory arrangement or otherwise (the right to do so being hereby expressly reserved), any Share receivable on the exercise of an Option shall be converted into the securities, property or cash which the Optionee would have received upon such amalgamation, consolidation, combination or merger if the Optionee had exercised his or her Option immediately prior to the effective date of such amalgamation, consolidation, combination or merger and the Option Price shall be adjusted as may be deemed necessary or equitable by the Board in its sole discretion and such adjustment shall be binding for all purposes of the Plan.
- 10.3 In the event of a change in the Corporation's currently authorized Shares which is limited to a change in the designation thereof, the shares resulting from any such change shall be deemed to be Shares within the meaning of the Plan.
- 10.4 Subject to TSX-V approval, in the event of any other change affecting the Shares, such adjustment, if any, shall be made as may be deemed necessary or equitable by the Board in its sole discretion to properly reflect such event and such adjustment be binding for all purposes of the Plan.
- 10.5 No adjustment provided in this Section 10 shall require the Corporation to issue a fractional Share and the total adjustment with respect to each Option shall be limited accordingly.
- 10.6 Notwithstanding any other provision herein, if because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of shares in the Corporation for securities, property or cash in or from another company is imminent ("**Business Combination**"), the Board may, in a fair and equitable manner, determine the manner in which all unexercised option rights granted under the Plan shall be treated including, for example, requiring the acceleration of the time for the exercise of such rights by the Optionees and of the time for the fulfillment of any conditions or restrictions on such exercise (including without limitation, vesting requirements) or providing that any Share which would be receivable prior to the effective time of the Business Combination on the exercise of an Option be replaced with the securities, property or cash which the Optionee would have received if the Optionee had exercised his or her Option immediately prior to the effective time of the Business Combination and make any necessary adjustment, including adjustments to the Option Price, as may be deemed necessary or equitable by the Board in its sole discretion. All determinations of the Board under this Section 10.6 shall be binding for all purposes of the Plan. Any adjustments made by the Board in the context of a Business Combination are subject to TSX-V approval.
- 10.7 In order to permit Optionees to participate in a proposed offer for Shares made by means of a take-over bid circular ("**Take-over Bid**") or a proposed Business Combination that could result in a Change of Control, the Board may make appropriate provisions for the exercise of Options (whether vested or not) conditional upon the Shares resulting therefrom being taken up and paid for under the Take-over Bid or the completion of the Business Combination, as applicable.

11. Regulatory Approval

- 11.1 Notwithstanding any of the provisions contained in the Plan or any Option, the Corporation's obligation to grant Options and issue Shares and to issue and deliver certificates for such securities to an Optionee pursuant to the exercise of an Option shall be subject to:
- (a) compliance with all applicable laws, regulations, rules, orders of governmental or regulatory authorities in Canada ("**Securities Regulators**");
 - (b) compliance with the requirements of the Exchange; and
 - (c) receipt from the Optionee of such covenants, agreements, representations and undertakings, including as to future dealings in such Shares, as the Corporation determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.
- 11.2 The Corporation shall in no event be obligated to take any action in order to cause the issuance and delivery of such certificates to comply with any laws, regulations, rules, orders or requirements.
- 11.3 Notwithstanding any provisions in the Plan or any Option if any amendment, modification or termination to the provisions hereof or any Option made pursuant hereto are required by any Securities Regulators, a stock exchange or a market as a condition of approval to a distribution to the public of any Shares or to obtain or maintain a listing or quotation of any Shares, the Board is authorized to make such amendments and thereupon the terms of the Plan, any Options, including any Option Agreement made pursuant hereto, shall be deemed to be amended accordingly without requiring the consent or agreement of any Optionee or shareholder approval.

12. Miscellaneous

- 12.1 An Optionee entitled to Shares as a result of the exercise of an Option shall not be deemed for any purpose to be, or to have rights as, a shareholder of the Corporation by such exercise, except to the extent Shares are issued therefor and then only from the date such Shares are issued. No adjustment shall be made for dividends or distributions or other rights which the record date is prior to the date such Shares are issued pursuant to the exercise of Options.
- 12.2 If the Corporation shall be required to withhold any amounts by reason of any federal, provincial, state, local or other rules or regulations concerning taxes or social security contributions in respect of the issuance or delivery of Shares to the Optionee, the Corporation may deduct and withhold such amount or amounts from any payment made by the Corporation to such Optionee, whether or not such payment is made pursuant to this Plan. In addition, or as an alternative to such withholding from payments, the Corporation may require an Optionee, as a condition of exercise of an Option, to pay to the Corporation an amount not exceeding the total of the withholding obligation of the Corporation arising in respect of the issuance or delivery of Shares to the Optionee, or to reimburse the Corporation for such amount. Under no circumstances shall the Corporation be responsible for funding the payment of any tax on behalf of any Eligible Person, any Permitted Assign or any transferee of an Option as permitted hereunder, or for providing any tax advice to them.

- 12.3 The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.
- 12.4 The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.
- 12.5 Each Eligible Person agrees with the Corporation that this Plan and all agreements, notices, declarations and documents accessory to the Plan be drafted in English only. *Chaque participant consent avec la société à ce que ce Plan ainsi que toutes conventions, avis, déclarations et documents afférents au Plan soient rédigés en anglais seulement.*

13. Amendment and Termination

- 13.1 The Board may, subject to Shareholder approval, amend the Plan at any time. Notwithstanding the foregoing and subject to TSX-V approval, the Board is specifically authorized to amend or revise the terms of the Plan without obtaining Shareholder approval in the following circumstances:
- (a) to change vesting provisions in the event of a Business Combination or a Take-over Bid, as provided herein;
 - (b) to add any form of financial assistance;
 - (c) to change the termination provisions of the Options or Plan which does not extend beyond the original expiry date; and
 - (d) other amendments of a housekeeping nature, including the correction or rectification of any ambiguities, defective or inconsistent provisions, errors, mistakes or omissions herein and updating provisions herein to reflect changes in the governing laws, including tax laws, and the TSX-V requirements.

Except as otherwise permitted by the TSX-V, amendments to this provision as well as amendments to the number of Shares issuable under the Plan (including an increase to a fixed maximum number of Shares or a fixed maximum percentage of Shares, as the case may be, or a change from a fixed maximum number of Shares to a fixed maximum percentage), may not be made without obtaining approval of the Shareholders in accordance with TSX-V requirements. Any amendments which require Shareholder approval as a result of the rules of the TSX-V will require Shareholder approval in accordance with TSX-V requirements.

- 13.2 The Board may suspend or terminate the Plan at any time. No action by the Board to terminate the Plan pursuant to this Section 13 shall affect any Options granted hereunder prior to termination.
- 13.3 Except as set out below and subject to TSX-V approval, the Board may, without Shareholder approval, amend, modify or terminate any outstanding Option, including, but not limited to, substituting another award of the same or of a different type or changing the date of exercise;

provided, however that, the Optionee's consent to such action shall be required unless the Board determines that the action, when taken with any related action, would not materially and adversely affect the Optionee or is specifically permitted hereunder. The exercise price of any outstanding Options may not be reduced and the original Option Period extended unless Shareholder approval is obtained by way of a resolution passed by a majority of the votes cast by the Shareholders at a meeting of Shareholders. The Option Price of any outstanding Options may not be reduced and the original term of the Option Period may not be extended to the benefit of Insiders unless disinterested Shareholder approval is obtained in accordance with TSX-V requirements.
